

Annual QSP Magazine Campaign *... On it's Way!!*

Dear Parents & Friends,

Our annual magazine sale has started for the fall of 2009.

This program allows us the opportunity to focus on literacy and support READING. At the same time this campaign helps raise funds for Regina Water Polo Association (RWPA) and for competitive families, your fundraising account. On average you can earn \$10.00 per subscription.

If you would like to renew, order new or send gift subscriptions anytime of the year, you can easily do so by simply going to www.qsp.ca and ordering online. Credits for orders before December 5, 2009 will be posted to your account in January 2010 and again in May for orders placed before April 15, 2010.

Our Group # for ordering online is : **31479**
(or simply use the "group finder" link and enter "Regina")
Please enter RWPA in "teacher name" and in "grade level"

Please also help us reach Out-of-Town Relatives & Friends!

Use the special email feature at www.QSP.ca to invite friends & family to support RWPA. The email generated will automatically direct your friends & relatives to RWPA's QSP On-line Magazine Store (email addresses are not used for any other purposes). Any purchases they make, support RWPA and your fundraising.

There are also brochures and order forms available from Cindy Goosen or myself that you can hand out to family & friends and then submit completed paper order forms to me by October 15, 2009.

Thanks for you help!
